❤️ TWO FAMILIES. ONE CARING COMMUNITY.

We're blessed to be getting closer to our goal for Family R, one of two Wilmington families displaced by a fire.

Thank you to Sheila E. Roth, Elena Reynaga, Nora Murillo, Cathy Familathe, Unseen Heart, Johana Rendon, and Luz Regnier for stepping up! Your kindness is helping turn a difficult chapter into a hopeful new beginning.

Family R sends a heartfelt thank-you. Knowing that people they've never met care enough to help means more than words can express. They also have one request: please extend that same kindness to their neighbors, Family W. ❤️

🎁 FAMILY W: GIFT CARDS IN LIEU OF CLOTHING

Temporary housing, limited storage, and transportation challenges make clothing donations difficult to manage right now. Gift cards let the family choose the sizes and essentials they need, when they need them—with flexibility, independence, and dignity.

Our suggested goal is $50 per person, but any amount is welcome. Please give only what you comfortably can.

Even 25 cents can make sense when we all come together! Every contribution can help ease a burden and bring a little peace of mind.

📢 Can't donate? PLEASE SHARE. Your share could connect these families with someone who can help.

These families need more than views—they need neighbors willing to take the next step.

With heartfelt thanks,
A Needy Wilmington
