♥ W.I.N.N. – WILMINGTON IN NEED NOW! Family W

It's been three days and unfortunately no one has come forward to help Family W (list is below.) Family is kindly requesting gift cards 🎁 GIFT CARDS REQUESTED IN LIEU OF CLOTHING.

DONATIONS As we continue assisting the two Wilmington families displaced by a fire, we're kindly requesting gift cards instead of clothing donations at this time. Because these families are currently dealing with temporary housing, limited storage, and transportation challenges, receiving large quantities of clothing may create additional logistical difficulties.

Family W Amazon Wish List (Gift Cards) * Cap at \$ 50.00 for each person unless you want to give more.

Gift cards allow families to purchase clothing in the sizes, styles, and quantities they need, when they need them, without worrying about where to store everything.

♥ Your generosity gives these families something equally important: flexibility, independence, and dignity during a difficult transition. Thank you for your understanding and continued support!

We understand that some items are costly. That's why we've selected affordable, durable essentials that will serve the family well.

💰 Can't purchase an item? Consider making a monetary donation toward their needs.

♥ Even 25 cents can make sense when we all come together!
